25X1   6. [ ] Accompanied [ ] SAVA, to a
briefing of Senator Ernest F. Hollings (D., S.C.) on the situation in Vietnam.
This was in response to a request from Hollings' executive assistant, Michael
Copps, last night. Hollings did not pose any particularly difficult questions.
He said he merely wanted to get the facts on North Vietnamese buildups and
other aspects of the situation in Vietnam. He said he thought the information
that was being made available to the public is both incomplete and in some
cases misleading. He also asked Carver for a rundown on the situation in
Cambodia.

25X1   7. [ ] Tom Scott, Chief Clerk, Senate Appropriations
Committee, advised me of a conversation he had with Senator Hugh Scott
(R., Pa.) concerning the Agency and asked us to prepare a paper for him
giving reasons why the individual gross budget figures for CIA, NSA, and
DIA should not be included as line items in the Defense appropriation bill.
See Memorandum for the Record.
